

Phoenix Radio Privacy Policy

Phoenix Radio is committed to protecting your privacy. This privacy Policy lets you know how your personal information is processed and used. We promise that we will take steps to use your personal information only in ways that are compatible with this Privacy Policy. The following policies are only in effect for the Phoenix Radio web pages and opt-in announcement lists owned and operated by Phoenix Radio.

Every computer connected to the Internet is given a domain name and a set of numbers that serve as that computer's "Internet Protocol" or IP address. When a visitor requests a page from any website within the Phoenix Radio Network, our web servers automatically recognize the visitor's domain name and IP address. The domain name and IP address reveal nothing personal about you other than the IP address from which you have accessed our site. We use this information to examine our traffic in aggregate, and to investigate misuses of the Phoenix Radio Network, its users, or to cooperate with law enforcement. We do not collect and evaluate this information for specific individuals. Our Web servers do not automatically record email addresses of visitors.

Phoenix Radio offers access to services that require registration. We may use your registration information to send notification to you of Phoenix Radio products and services by your choice of email, postal mail or text messaging. We may also use your information for the purpose of providing additional services or discounts. We maintain a strict "NO-Spam" policy that means we do not sell, rent or otherwise give your e-mail address to a third-party without your consent or as permitted by this privacy policy. We may from time to time send e-mail announcing new Phoenix Radio products and services. Except as stated above, Phoenix Radio will not send you any email that you have not agreed to receive.

In Summary:

Phoenix Radio will disclose personal information and/or an IP address, when required by law or in the good-faith belief that such action is necessary only to:

- 1) Cooperate with the Investigations of purported unlawful activities and conform to the edicts of the law or comply with legal process served on Phoenix Radio.
